

9 January 2012

Dear Year 11 Parent/Carer,

Following the Parents' Evening last term when you had the opportunity to meet with your son/daughter's Learning Mentor for a generic overview of how well your child had settled into Year 11, we would now like to invite you to a second Parents' event.

As advertised in the newsletter this Parents' Evening will take place on **Thursday 12 January between 4.00 and 7.00pm**. Students are expected to attend the event with their parents/carers so you can meet briefly with teachers to discuss progress and find out how they can prepare for the final few months and secure success within each of the subject areas.

Once you have registered at Reception our subject teachers will be available to meet with you in designated spaces on a first come first served basis. Refreshments will be available from 4.00pm and there will be an opportunity for you to provide feedback to members of our Academy Leadership Team.

Enclosed here is a copy of your child's full report, detailing their performance in each of the subject areas during the first full term. Please peruse ahead of Thursday evening to allow for meaningful conversations.

The enclosed report is the second of five that you receive throughout the academic year and details your son/daughter's progress during the previous half term. The report is essentially a data collection sheet of the progress that your son/daughter has made and comments on performance and development. The report includes a current assessment of your son's/daughter's progress towards achieving their target grades in each subject, as well as a grade for effort, behaviour and homework/coursework within that subject.

We look forward to seeing you and to further enhancing our partnership with you, as parents and carers, in supporting your child's achievement at Oasis Academy John Williams.

Regards,

A handwritten signature in black ink, appearing to read 'Laura Mackie', is positioned above the printed name.
