

## Art for All in Hengrove

# Hengrove's Public Arts Strategy Consultation Meeting

Hengrove and Stockwood Neighbourhood Partnership have decision-making responsibility for allocating around £268,000 of s.106 funding. The theme of the funding is Public Arts.

The Hengrove and Stockwood Neighbourhood Partnership wants to ensure the widest possible engagement of local residents and stakeholders to inform the councillors of the best use of the s106 funding in the area.

In order to achieve this, we want to work with local people to help us to create a strategy. We would like to know the principles and themes that you would like to see addressed by public art.

The Hengrove and Stockwood Neighbourhood Partnership would like to invite you to a meet with us by dropping in to see us at the cafeteria during your parents evening where you can give us your views in developing and delivering this funding for Hengrove as follows:

**Thursday 6<sup>th</sup> October 2011**  
**4.30pm to 6.30pm**  
**Oasis Academy John Williams**  
**Petherton Road, Hengrove, Bristol, BS14 9BU**
