

Pay for Academy meals online

Our online payment service

We are pleased to announce that we have launched ParentPay as our preferred method of payment to the Academy for school meals. ParentPay enables you to pay online for school meals, reducing the risk of students carrying cash and ensuring that payments are used to purchase meals in the Academy restaurant.

ParentPay offers you the freedom to make online payments whenever and wherever you like, 24hours a day, 7 days a week - safe in the knowledge that the technology used is of the highest internet security available.

Parents have been sent individual letters giving details of how to access the secure online account, activated at ParentPay.com using a unique username and password; making a payment with your credit or debit card is straightforward and ParentPay holds an electronic record of your payments and your child's purchases for you to view at a later date.

Parents who do not have a debit or credit card can apply to the Academy for a Paypoint card which enables you to make cash payments for school meals via a Paypoint machine; these are located in a number of local stores.

If you have any queries regarding the service or need a reminder of your log-in details, please e-mail richard.avery@oasisjohnwilliams.org or telephone him on 01275 894683.
