Dear Parent/Carer

Welcome to Oasis Academy John Williams! I would like to introduce myself as Victoria Boomer-Clark, the proud Principal of Oasis Academy John Williams. I am absolutely delighted that you have selected John Williams as one of your preferences to send your child for their secondary education, and that a place has been offered to you!

It is a very exciting time starting secondary school and we are already working hard behind the scenes in preparation for your child joining us in September. We also appreciate that some young people may feel a little nervous about the move; please encourage your child not to worry and to enjoy their final months at primary school!

We are currently planning our Transition Day [Wednesday 5 July], where we work to ensure that everyone knows what to expect in September and feels a little more relaxed and ready for the start of the new year. I know that you are likely to have some questions about life at John Williams; our website is a good place to start to find out more, and we also will be hosting a Parent/Carer event on Monday 3 July, where information about the Transition Day and the day to day at John Williams will be shared. You too will have the opportunity to have and any questions that you may have answered.

We will be in touch again, once we receive the final confirmation of who will be joining us in September, with information about the Parent/Carer event on Monday 3 July and the Y6 Transition Day on Wednesday 5 July.

Congratulations again on being offered a place at OAJW. I look forward to meeting you all soon.

Warm regards

A handwritten signature in black ink, appearing to read 'V. Boomer-Clark', is placed below the text 'Warm regards'.
