

Tuesday 19 May

Dear Parent/Carer

Essential Childcare Provision: Monday 1 June – Friday 17 July

Government guidelines now recommend that, where people cannot work from home, they should go back to work. We also know that Primary Schools are preparing to reopen, potentially as soon as 1 June, with secondary provision for Year 10 beginning after that.

If you are returning to work, and do not feel that your child can be safely cared for at home whilst you are at work, your child can attend OAJW, where they will be supervised by a member of staff, to carry out the online learning work that they ordinarily would do at home. There will be no lessons taking place, but we will arrange for staff to supervise your child working, in an environment which is set up to follow the current social distancing guidelines and advice around handwashing and respiratory hygiene.

If you would like to access this provision, between Monday 1 June and Friday 17 July, please email info@oasisjohnwilliams.org **before 09.00 Thursday 21 May**, with the following information:

1. Your child's name and year group
2. The days, dates and times that you need your child to be looked after at OAJW

Once we have received this information, we will plan appropriate staffing levels, and ensure that relevant rooms and venues are set up to accommodate those who need supervision.

As a school, we are doing all that we can in support of the COVID-19 response. Once we have certainty over what the Governments longer term plans for secondary schools are, we will be in touch.

In the meantime, please take care and stay safe
