

## To join lessons on a laptop/desktop from home:

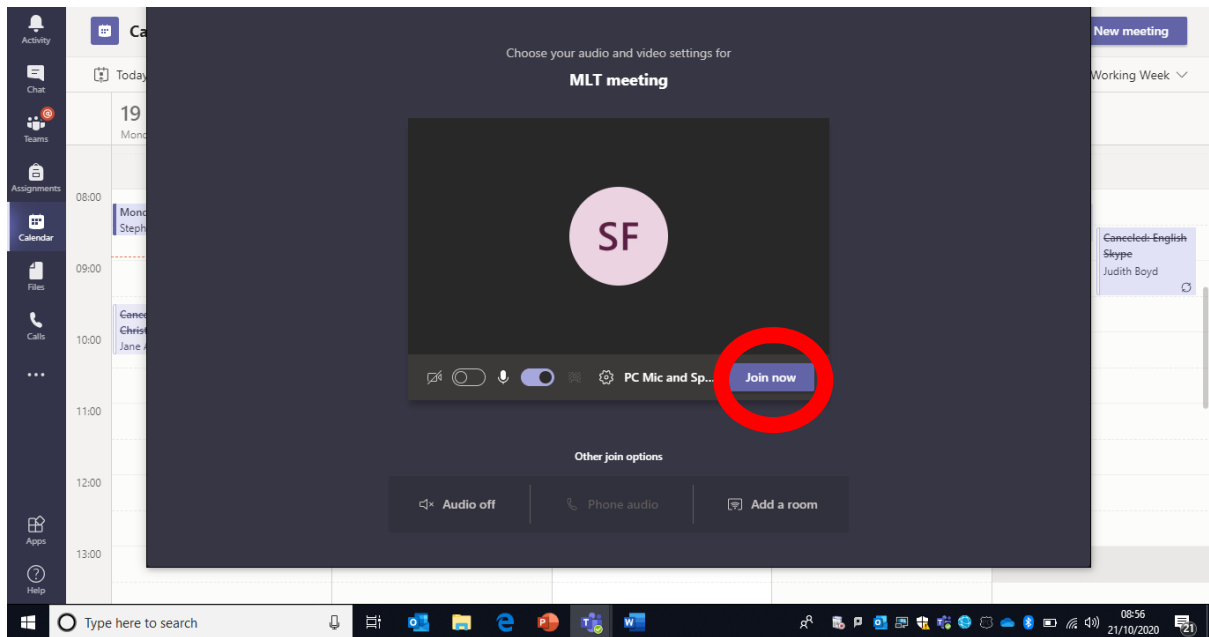

1. Make **sure** you have your equipment and exercise book ready.
2. On your device, check to make sure the volume is turned on for either the speakers or headphones.
3. Open Microsoft Teams and click on 'Calendar'.

4. You will then see a calendar view. Double click on the lesson. Then, click 'Join' on your lesson.

5. Click 'Join now' again.

**You are now ready to begin your lesson as you would in school!**
